CargoVision ™

Part #77-S211

MONARCH
TRACKING.COM

GENERAL DESCRIPTION

The Monarch Tracking CargoVision is designed to provide an uncompromised, on-demand view of the interior of a trailer in 1080P quality. Simple installation and connectivity to your existing Monarch Tracking trailer gateway module provides the ability to pre-program image capture events based on motion, door open/closed (if equipped), time based or web-based image on-demand. Images are uploaded to the cloud for viewing through the Monarch Tracking customer portal or automated API feed.
